Hello,

Thank you for considering our room rental services.

Serviced Medical Suites caters to the needs of health professionals who are passionate about providing the best health services to their patients. Our professional consulting rooms offer a warm and welcoming work environment for you and your patients to enjoy.

Our consulting rooms are available for half day or full day hire and are fully equipped with onsite patient parking, a wheel chair lift and a full time reception team. Each room contains a patient bed, sink, air conditioning, desk, computer, printer and telephone. Cleaning, wi-fi and electricity are also included in our rentals. Serviced Medical Suites provides the opportunity to manage your own practice in one of our furnished consulting rooms.

We are committed to building a great team of health specialists. When you join our team, you will be working alongside a committed group of like-minded practitioners giving you opportunities for cross referrals and surrounding yourself with fellow successful business people. Whether you are starting out or looking to expand your thriving private practice, our space is the perfect place to grow your brand in a supportive and caring environment.

Our beautifully renovated Queenslander is well located on Upward street between the Cairns Hospital (public) and Cairns Private Hospital. Our consulting rooms offer you access to all the facilities and services you need to keep your private practice running smoothly.

Contact us for more information on admin@smscairns.com or phone Natalie, our VMO Coordinator on 0477 001 699.
